MEMBERSHIP COSTS INFORMATION

The cost to run the 5 Westside teams is approximately GBP 65,000 per year – this consists of court hire for practices during the season and at games, coaches, referees, fees / travel expenses to participate in the Basketball England league. Because we are keen to maximise participation, we purposefully keep subscription costs low, and work hard to cover the balance through fundraising.

To participate in the 2023/2024 season, we ask for the following fee from participants across all teams:

Club Membership: **£350 annual fee**

Membership can be paid in full upfront or in instalments.

Please let us know if you intend to pay upfront or in instalments:

- £350 in full upfront
- £150 upfront, £100 in November and £100 in February

If you can, we do prefer the full upfront payment – it helps us with planning for the season.

Please send your payment as soon as possible to:

HSBC Account Name	Westside Basketball
Sort code	40 02 13
Account Number	82014262

TEAM FUNDRAISING

The membership fees only cover approximately 30% of the cost to run the teams and therefore fundraising is very important. Westside is now a registered charity and we believe this will make it easier to receive donations. If you are interested in donating or getting involved in our fundraising efforts for The Westside Community Foundation (**Charity Number 1199790**) please email us at info@westside-london-basketball.org.

Donations can be made to:
